

# Our Service vs. Agencies

Why Canadian Au Pair Solutions is your best option to find an Au Pair for your family.

## COSTS

Agencies can charge upwards of \$700-\$3000 for an Au Pair placement.

Our services are at a fraction of the cost of traditional placement agencies.

You have to pay an Agency every time you need a new Au Pair.

Our services are very affordable and are a one-time only fee.

Agencies charge families extra fees when it comes to setting up the requirements of live-in care.

We provide a high-level of ongoing support even after your Au Pair has arrived.

### Agency Myths

Agencies operate under the guise that families 'need' their services in order to get an Au Pair.

Agencies claim their candidates are 'screened' and have had a background check.

Agencies provide a list of candidates that the family is still required to interview.
